BRISTOL COUNTY

COMMISSIONERS'
REPORT

COUNTY OF BRISTOL

Massachusetts

ANNUAL

Report of County Treasurer

—AND—

County Commissioners

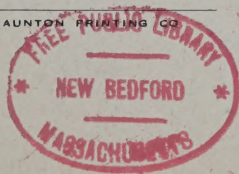

For Year Ending December 31, 1946

PUBLISHED IN COMPLIANCE WITH THE GENERAL LAWS

JUSTICE & CO.

TAUNTON PRINTING CO.

To the Citizens of Bristol County:

I have the honor to submit the accompanying report of the Receipts and Expenditures of Bristol County for the year ending December 31, 1946.

The report of the County Commissioners follows the Treasurer's report, both being printed in this form to comply with the General Laws of Massachusetts.

County Accounts are examined once a year by the State Auditors of the Department of Corporations and Taxation, Division of Accounts, State House, Boston, Mass.

Respectfully submitted,

ERNEST W. KILROY,
County Treasurer.

ERNEST W. KILROY,
Treasurer of Bristol County

Taunton, Massachusetts, 1946

County Commissioners' Report

The County Commissioners, in compliance with the requirements of Chapter 35, Section 26 of the General Laws, (Ter. Ed.) submit the following report:

Meetings.

The statutory meetings of the County Commissioners are held in Taunton on the fourth Tuesday of March and September. The Commissioners also meet by adjournment weekly on Tuesdays at Taunton.

Expenditures.

Except as otherwise stated in this report, all expenditures have been for the usual and necessary running expenses of the County, viz: Maintaining the Courts; Salaries of County Officers; Care of County Buildings; County Hospital; Support of Prisoners and Maintaining the Jail and House of Correction; Clerical Assistance in County Offices; Fuel; Lights and Water; Highways; Bridges and Law Libraries. For specific details thereof, reference may be had to the Report of the County Treasurer.

County Tuberculosis Hospital.

Due to acceptance of a special act by the voters of the Hospital District, the County Commissioners are no longer the Trustees of the Hospital. While the Commissioners have no authority to hire help or contract bills, the Attorney General has ruled that no bill or payroll may be paid without the approval of the Commissioners.

It is our opinion that either the Trustees of the Hospital should have complete control there, or full authority should be restored to the County Commissioners.

It is our intention to ask the next Legislature to remedy the existing situation.

Petitions.

The following petitions for abatement of taxes filed with the County Commissioners are still pending:

Taunton Cotton Mills Co.	v.	City of Taunton	(Ent. 1926)
Connecticut Mills Co.	v.	City of Taunton	(" 1926)
Jacob Dondis, et al	v.	City of Fall River	(" 1926)
Louis Fabricant	v.	City of Fall River	(" 1926)

Narragansett Mills	v.	City of Fall River	(" 1930)
Robert S. Sherwin, et al	v.	City of Fall River	(" 1930)
Alfred S. Bennett	v.	Town of Acushnet	(" 1931)
Attleboro Post No. 20, Inc., American Legion	v.	Board of Assessors of the City of Attleboro	(" 1931)
Nathan S. Sherwin, et al	v.	City of Fall River	(" 1932)
Dora Price	v.	Board of Assessors of the City of Fall River	(" 1932)
Retail Properties, Inc.	v.	City of Fall River	(" 1933)
Jessie Gidley Carter	v.	Board of Assessors of the Town of Westport	(" 1946)

The following petitions for authorization to construct a private railroad, etc. are still pending:

Glenwood Range Company, Petrs. for authorization to construct a private railroad for the transportation of freight upon and across Fifth St., Taunton. (Ent. 1945.)

Howard S. Palmer, et als, Petrs., Trustees of the New York, New Haven & Hartford Railroad Co., for authorization to construct a private railroad for the transportation of freight upon and across Fifth St., Taunton. (Ent. 1945.)

The following petitions for layouts are still pending:

Jonathan W. Hunt and 35 others, Petrs. for layout, etc. of Cliff Ave., in the Town of Swansea. (Ent. 1929)

Edward Paradis, et als, Petrs. for layout, alteration and specific repairs of highways known as Eddy Street and So. Worcester St., in the Town of Norton. (Ent. 1946)

The following petition for layout was entered in 1946 and decree entered therein during said year by the County Commissioners:

Edgar W. Baldwin, et als, Petrs. for layout, etc. of a portion of Foundry Street, in the Town of Easton.

Findings and Orders were made by the County Commissioners in 1946 on the following petitions for Abatement of Taxes:

Electric Chain Company	v.	City of Attleboro	(Ent. 1923)
Durfee Mills	v.	City of Fall River	(" 1926)
Union Cotton Mfg. Co.	v.	City of Fall River	(" 1926)
Abram Boomer, Jr., et ux	v.	Board of Assessors of the Town of Westport	(" 1945)
Thomas N. Ashton, et ux	v.	Board of Assessors of the Town of Westport	(" 1945)
Gertrude D. Wild	v.	Board of Assessors of the Town of Westport	(" 1945)
George H. Williston	v.	Board of Assessors of the Town of Westport	(" 1946)

Acting upon the petition of numerous citizens of Taunton, the County Commissioners decreed that public convenience and necessity required acceptance as a public highway and its construction of Lakeview Avenue, in that city.

The work was done according to specifications prepared by the County Commissioners, the contract price being \$9130. This was paid in the first instance by the County of Bristol, but this amount, together with interest, was repaid by the City of Taunton to the County.

County Debt

During the past year Sixteen Thousand Dollars was paid on the County Debt, as follows:

Agricultural School Building	\$ 6,000.00
Agricultural School Addition	3,000.00
Agricultural School Water Project	7,000.00
	<hr/>
	\$ 16,000.00

Temporary Loans

For the Tuberculosis Hospital, One Hundred Sixty Thousand Dollars was borrowed; this amount less the balance on hand will be refunded by the Cities and Towns in the Hospital District during 1947.

One Hundred Fifty Thousand Dollars, the loan of 1945, was paid from the money received from the Cities and Towns in the Hospital District in the year 1946.

A loan of Five Hundred Fifty Thousand Dollars was made in anticipation of Taxes.

County Tax

The County Tax for 1946 was paid in full by all Cities and Towns in the County in the sum of \$801,672.91.

Transfer of Funds

As there were certain expenditures in excess of the appropriation passed by the Legislature, the following transfers were made from the Reserve Fund, the vote having been passed by the Commissioners and approved by the Director of Accounts:

Item 15—Care, Fuel, Light and Supplies	\$ 6,500.00
Item 20—Agricultural School	600.00
Item 24—Non-contributory Pensions	35.00
Item 26—Miscellaneous	250.00
Item 27—Unpaid Bills of Previous Years	900.00
	<hr/>
	\$ 8,285.00

Under Chapter 35, Section 33 of the General Laws the Treasurer was authorized by the Commissioners to pay from any available funds the over-drafts on the following:

Item 5—District Courts	\$ 7,040.42
Item 6—House of Correction	5,494.45
Item 8—Civil Expenses	819.26
Item 11—Medical Examiners and Commitments of insane	743.65
Item 12—Auditors, Masters and Referees	595.00

County Finance.

Wages have gone up in the County Service as they have everywhere. Everything we buy costs more. So we point with some satisfaction to the fact that in spite of unfavorable conditions, we have kept the cost of County Government in Bristol County practically where it was.

In addition, we had at the end of 1946 the sum of \$100,000.00, together with certain interest earnings, which has been set aside and can be used when the proper time comes for post war construction work.

The final payment on our County debt will be made in 1948, and then the County of Bristol will be debt free. At the end of this year all our obligations were met or provided for, the cost of running the County had been kept practically stationary, and the County, from a financial standpoint, was in an enviable position.

Repairs and Furnishings

Contracts were made for items in this account costing in excess of One thousand Dollars. No new buildings were constructed, but in the existing buildings much painting was done and old-fashioned electric light fixtures were replaced.

Due to the neglect of previous years, much work was needed on the tower and roof of the Superior Court House at Taunton. On account of its great height, special equipment and skilled men were required and this work was done by the day. It was not completed at the end of the year.

Dams.

All reservoirs, reservoir dams and mill dams in the County required by law to be inspected by the County Commissioners were so inspected during the year.

REPORT OF THE SUPERINTENDENT

I herewith submit the 28th Annual report of the Bristol County Hospital for the year ending December 31, 1946.

There were 49 patients in the hospital on January 1, 1946, and 79 patients were admitted during the year. Of the 79 patients admitted 57 were first admissions and 22 were re-admission cases. There were 48 males and 31 females. The largest daily census was 62 and the lowest 51. The average daily census was 55 and the total hospital days was 20,054.

There were 72 patients discharged. At the end of the year there were 58 patients in the hospital. Of these 30 were males and 28 females. The average length of stay was 249 days.

The total number of patients under treatment was 128 of which 126 were tuberculous.

A relatively small percentage of our cases was found to be suitable for pneumothorax treatment. Only 12 patients received this form of treatment. There were 179 refills. A total of 24 thoracoplasty operations was carried out on 8 patients. Phrenic nerve crushing was performed on 4 patients and pneumonectomy on 1.

Other examinations and treatments were as follows:

Bronchoscopies	9
Trochar thoracotomies	2
Wassermans	16
Urines	218
Blood Counts	12
Sputum examinations	207
Blood Sedimentations	10
X-Ray examinations of chest	255
X-Ray examinations—others	6
Fluoroscopies	450
Autopsies	1

Out Patient

There were 1664 visits made in the Out-patient department by 1049 patients. Of this number 154 were follow up discharged cases. There were 47 newly diagnosed cases of active pulmonary tuberculosis of which 44 were subsequently admitted to the sanatorium. There were 251 pneumothorax treatments carried out on 16 patients. The total number of chest x-rays made in the Out-patient department was 1620. Total x-ray examinations—house and Outpatient department—1881.

Rehabilitation

The 1946 program was confined mostly to an in-sanitarium schedule. Follow-up on some discharged patients was made. Contact with patients was made on regularly scheduled days at the Hospital. Advice and guidance were given when requested on personal problems, and to those interested in study of correspondence courses. Handicraft in leather, shell and gimp was introduced and followed up satisfactorily by many of the patients.

There were 965 visits with patients, 30 calls on discharged patients in their homes and 10 contact calls with those needing x-rays.

Upkeep

We again call attention to the fact that the buildings which constitute the Bristol County Hospital are old, antiquated and expensive to keep in a reasonably good condition of repair. As you know there has been a steady increase in costs of material and labor in the past few years, and a notable sharp rise in costs, especially of food, took place toward the latter part of the year 1946. No major construction was under-taken as our allotted funds were needed to meet the increased cost of general supplies, food and necessary minor repairs to the buildings. A new boiler was installed in the boiler room and the walls and ceiling of the nurses' lavatory were tiled and new plumbing installed. Both these improvements were fulfillments of contracts let in 1945. A large portion of the concrete floor of the boiler room and laundry was replaced by new concrete and a concrete step was built at the entrance to the administration building. The barn at the hospital farm was painted on the outside and repairs carried out on the roof and window casings.

Our statistics show that we average 55.3 patients during the year and the question might be asked why we need so many persons in our employ to care for this number of patients. At present we have one medical officer, 6 graduate nurses and 4 attendant nurses. When we allow for vacations and a 48 hour week for each graduate nurse and attendant, this works out that we have an average of less than 2 graduate nurses on duty at one time and less than two attendants. That is a small nursing staff, in my opinion, to care for 55 to 60 patients, many of whom are, or should be, strict bed patients.

In the kitchen we employ a chef, assistant cook and two kitchen helpers. Again when we allow time off we only average 3 persons in the kitchen. It is necessary to have 4 employees for the boiler room in order to cover all shifts and vacations. This is no more than would be needed if the hospital were double its present capacity. Three employees are needed to operate the farm under the present set up. We have on another occasion pointed out that the laundry machinery is antiquated. The one roll iron press requires the service of two persons to operate. One person is needed on the foot press and one to do hand ironing.

The present number of housemen and housemaids is needed to keep the wards and administration buildings in a proper condition of cleanliness. I personally feel that any reduction in the personnel force will result in an inferior service and moreover I am sure that the nursing staff is, at present, the minimum for giving proper care to our patients.

At the end of the year all beds except those on the unheated porches

were occupied and we had a small waiting list. Patients are unwilling to accept treatment in beds on the porches during winter months. The hospital lacks the proper number of single rooms for care of advanced cases.

Housing accommodations for male help is inadequate and there are no recreational facilities for our employees.

A new modernly constructed hospital would provide better accommodations for patients, better housing facilities for help, and provide for better service in every way. It is evident that with a small increase in the nursing staff the number of personnel now employed could service many more patients than we now have and a reduction in the number of patients would still require us to maintain substantially the same personnel to keep the hospital in operation.

Farm

The farm supplies to the hospital 42,360 quarts of milk and 2,555 dozen eggs. The estimated value of this produce is \$8,277.60. There was raised on the farm 50 tons of hay and 65 tons of silage. The value of farm produce sold was \$517.43. The live stock on the farm at the end of the year comprised 3 horses, 12 cows, 1 calf, 2 sows and 275 hens.

Acknowledgements

We extend our thanks to the many individuals who sent books, candy, fruit and flowers and other gifts to the patients, and to the organizations which provided entertainment for the patients at the Christmas season—The Sigma Class of the Methodist Church, Attleboro; The choir of children from the Holy Ghost Church, Attleboro, and the group of High School children from the Taunton High School.

We again extend our thanks to the Clergy for their regular visits to the sick and for the spiritual comfort they have brought to them.

To all employees for loyal service during the year and to the trustees for their confidence and counsel I am most grateful.
